Assault by Firearm

Incident # 21AS05094

Press release prepared by Chief Mark Lineberry

On Sunday March 21, 2021 at 7:18pm the Asheboro Police Department was dispatched to the area of 401 East Salisbury Street in reference to discharging of a firearm. Shortly after receiving that call units were advised that a subject had been shot.

The victim was identified as Kalil Jabri Cuthrell, age 22, of Asheboro. The victim was provided lifesaving assistance from Asheboro Police Officers until EMS arrived and transported the victim to Randolph Health. The victim was suffering from two gunshot wounds. He is listed in serious but stable condition and was flown out to another health care facility more equipped to handle serious trauma.

Shortly after the victim arrived at Randolph Health Asheboro Police received a 911 call from Randolph Health that multiple subjects were trying to get into the facility and some in the crowd were passing a gun around.

Officers from NCSHP, RCSO, Ramseur Police, Randleman Police, and Asheboro Police arrived and Randolph Health and the area was secured.

I want to be clear no shots were fired in the area of Randolph Health and it was never an active shooter scene. At no time did hospital employees stop providing health care and the safety of patients were not at risk.

Asheboro Police Department is working to identify a suspect in this incident. We believe that this incident is not a random act.

If you have any information regarding this incident please call Asheboro Police Department Det. Rippey at 336-626-1300 ext. 317 or ext. 316 or you can leave your information with Randolph County Crime Stoppers at 336-672-7463.
